

Installation Agreement & Vehicle Condition Acknowledgment

Customer & Vehicle Information

Customer Name: _____

Vehicle Year/Make/Model: _____

VIN (Optional): _____

Date of Installation: _____

Location: _____

1) Pre-Installation Damage Assessment

Before any work begins, the installer and vehicle owner perform a joint visual inspection. We document pre-existing scratches, dents, paint defects, cracks, or other noted issues.

See attached damage sheet for notes and locations.

2) Customer Acknowledgment

The damage assessment was performed with my participation.

I confirm the noted conditions existed before installation began.

I agree to Eikon Motorsports' Installation Agreement, including:

- Professional bolt-on installation of the V2 Series vertical door kit;
- Lifetime warranty on the kit and installation workmanship;
- Eikon is not responsible for unrelated or pre-existing damage.

3) Authorization to Proceed

I authorize Eikon Motorsports to perform installation of the V2 Series vertical door kit on the vehicle listed. I acknowledge the pre-existing conditions recorded on the attached sheet and agree that this document represents an accurate record of the vehicle's state prior to installation.
